

Welcome to Ms. Rossetti's - MD/Grades 3-5 - Class!

16th Avenue School

Elmwood Park Public Schools

September 2017

Dear Parents/Guardians,

It is with great anticipation that I welcome your child to my class. I feel that we are partners in your child's educational journey, and look forward to collaborating with you this year.

Our classroom employs the ABA methods, small group and whole class instruction to address each student's specific needs. A multi-sensory approach is used to teach to all learning styles. Through touch, sound, sight and activity breaks I aim to stimulate my students and provide a well-rounded learning experience.

If you have any questions or concerns, please do not hesitate to contact me at any time. I look forward to another year of discovery and growth for my students.

Sincerely,

Ms. Rossetti

September 2017

Dear Parents/Guardians,

Hello! My name is Ms. Wilson and I will be your child's homeroom teacher this year at Sixteenth Avenue Elementary School! I am very excited to be your child's teacher this year and I look forward to all of the fun and exciting activities we will do in my LLD self-contained classroom.

I know this year will be very successful! This year will be my third year teaching at Sixteenth Avenue School; however, this will be my sixth year working in the school district. Prior to teaching, I worked at Sixteenth Ave as a teacher's aide, as well as a substitute teacher. I attended Montclair State University where I obtained a Bachelor's degree in Family and Child Studies, with a concentration in school settings, as well as a Master's degree in Teaching and Special Education. As you can see, I am very passionate about teaching and working with children and I love what I do!

I have planned an open and challenging work environment, with it being personalized for each child. Our classroom environment is going to be structured with many hands-on, multi-sensory learning activities! I plan on spending a large amount of time getting to know your child for the first few weeks of school so that I can individualize my instruction to meet the academic, social, and emotional needs of your child. My goal is to provide as much success in the classroom as possible.

In my classroom, parental involvement is an essential key to a successful year. I will be writing an entry in your child's communication book each day informing you about how your child's day went, what we accomplished, what they might need more work on, etc. Your child will also have a folder that will go home everyday holding important notices and/or homework. If you ever have any questions or concerns at any time throughout the year, please feel free to contact me by email noted at the top. You may also call the school and leave a message and I will respond back as soon as possible. Main Office: 201.796.8700 @ "#2992"

Once again, I am eager and excited to work with your child this year and I cannot wait to get started! I look forward to watching your children grow, as well as grow with them!

I will meet my students at the 14th Avenue main doors on September 6, 2017.

Your New Teacher,

Ms. Wilson
