## Welcome to Ms. Muvceski's MD Class!

Elmwood Park Public Schools  
September 2019

Greetings!

I would like to extend a warm welcome to you! I am extremely excited for the new school year in room 400! Teaching is an absolute passion of mine. What an amazing journey we get to embark on together. I consider us partners in your child's education. Collaboration is key to a successful school year. I feel that every child is unique and should have their unique learning styles met. Taking this belief forward, I would like to provide you some information about our teaching style.

Our classroom employs the ABA method: small group and whole class instruction to address each student's specific needs. A multi-sensory approach is used to teach to all learning styles. Through touch, sound, sight and activity breaks I aim to stimulate our students and provide a well-rounded learning experience.

I love to have conversations with parents throughout the year. If you send in a marble notebook I would be more than happy to have open communication daily regarding your child. Please always contact me with any questions or concerns via email or notebook. I want to partner with you in order to best support your child!  
☺ Email: [tmuvceski@epps.org](mailto:tmuvceski@epps.org)

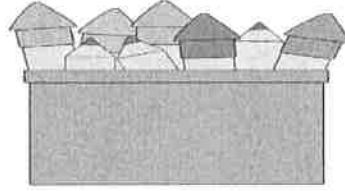

I look forward to a successful year!

**Sincerely,**
